### SAP C-TS450-2020 Exam Description:

The "SAP Certified Application Associate - SAP S/4HANA Sourcing and Procurement - Upskilling for ERP Experts" certification exam verifies that the candidate possesses the fundamental and core knowledge in the area of sourcing and procurement required for the consultant profile. This certificate proves that the candidate has an overall understanding and can implement the knowledge practically in projects to contribute to the success of the planning and implementation phases in a mentored role. Previous project experience is not necessarily a prerequisite to pass this exam. However, previous knowledge about sourcing and procurement processes in SAP ERP is a benefit. Learners without any SAP ERP background knowledge are recommended to take the certification exam C\_TS452.
