SAP C_S4CPS_2202 Exam Description:

The "SAP Certified Application Associate - SAP S/4HANA Cloud (public) - Professional Services Implementation" certification exam validates that the candidate possesses SAP Activate onboarding fundamentals and core knowledge in the Professional Services industry area required of the consultant profile. This certification proves that the candidate has an overall understanding and in-depth technical skills to participate as a member of a RISE with SAP S/4HANA Cloud (public) implementation project team with a focus on Professional Services in a mentored role. This certification exam is recommended as an entry level qualification.

Please note that this 2202 version of the exam takes part in the Stay Current with SAP Global Certification program. Once you pass this version of the exam, make sure that you start your stay current process. You will be required to take the Stay Current Assessment for all subsequent major releases via the SAP Learning Hub starting with the 2208 release to maintain your SAP

S/4HANA Cloud (public) consultant certification status and badge. NOTE that Stay Current is moving to a bi-yearly cadence starting in 2022. In order to participate in the Stay Current program and access the Stay Current enablement and assessment, you will need at minimum an SAP Learning Hub, edition for SAP S/4HANA Cloud subscription.
